Case in point, the [Botkier](#) Holster

bag which features a solid brass hook closure and four outer hand-stitched pouch pockets with magnetic snap closures – absolute perfection. (\$610).

Aristatilian Accents

Ever felt like you wanted be Aphrodite rather than Angelina? Even wanted to channel that inner goddess from within? This spring designers have gone mad over Greek-inspired skirts and tops made of fabulous linen and accented with gold and coral. But the laurel didn't just land on fashion designers – handbag designers were also crowned. These bags scream 'Toga Party' – not the kind your college dorm-mate through Sophomore year – the kind Paris Hilton would have!
